

# Introducing *Dysport*<sup>®</sup>

## *What is Dysport<sup>®</sup>?*

Dysport is a popular, non-surgical cosmetic treatment designed to smooth the appearance of fine lines and wrinkles. It works by relaxing the muscles that cause dynamic wrinkles, such as frown lines between the eyebrows, helping to create a more refreshed and natural-looking appearance.

## *Benefits of Dysport<sup>®</sup>*

Treatments are quick, minimally invasive, and require little to no downtime, making Dysport a convenient option for those looking to enhance their look without disrupting their daily routine. Results typically appear within a few days and can last for several months. Dysport can also help reduce jaw pain and headaches.
